

REMARKS

On February 25, 2008, Applicants filed an Amendment in response to a Non-Final Office Action mailed from the USPTO on January 24, 2007. Subsequently, Applicants received a Notice of Non-Compliant Amendment from the United States Patent and Trademark Office mailed from the USPTO on May 29, 2008. Applicants submit this paper in response to the Notice and respectfully request entry of the foregoing amendments to the claims that were previously submitted on February 25, 2008. The Listing of Claims now correctly identifies the status of claim 5 as "canceled" instead of "currently amended." No other changes have been made. Accordingly, claims 1-4, 7-18 and 21-22 are pending.

In view of the foregoing amendments and the remarks set forth in the Amendment filed February 25, 2008, applicants respectfully submit that the application is in condition for allowance. Should the Examiner feel that there are any issues outstanding after consideration of this response, the Examiner is invited to contact the undersigned to expedite prosecution of the application.

The Commissioner is hereby authorized by this paper to charge any fees during the entire pendency of this application including fees due under 37 C.F.R. §§ 1.16 and 1.17 which may be required, including any required extension of time fees, or credit any overpayment to Deposit Account 50-3840. **This paragraph is intended to be a CONSTRUCTIVE PETITION FOR EXTENSION OF TIME in accordance with 37 C.F.R. § 1.136(a)(3).**

Respectfully submitted,

Paul M. Booth
